

## **Join the Geneva Elementary PTA**

### **What is the PTA?**

Geneva PTA is the key communication link between parents, teachers, school administrators and the community. Geneva PTA organizes parents and events to make our school a better place for children to learn by addressing the needs of our school. Joining together, parents can contribute to student success.

### **Should I join?**

By joining the PTA, you will be among more than 146,000 other state-wide members giving the children of Washington State a voice. While children cannot vote and do not participate in the legislative process, PTA speaks for the interests of all children and their health, welfare, safety, and education. Nothing can happen without members! Together we can make a difference!

### **How do I join?**

You can become a 2008-2009 PTA member by completing and returning the attached PTA envelope along with your small donation of \$6.50. The donation will be used to empower PTA lobbyists, at the state level, to be a force in the decision-making process. Membership is open to both mothers, fathers and anyone who is concerned with education, health, and well-being of children and youth.

### **What is my commitment in joining?**

By joining the PTA you are providing a voice at the state and national level that you are an active parent in the future education for you child. PTA members are welcome and encouraged to attend Geneva PTA meetings to stay current with local legislation and PTA sponsored activities. Meeting attendance and volunteering for events is completely optional. Geneva Elementary has an awesome group of volunteers. You do not have to be a PTA member to volunteer for any activity at school. We encourage people to get involved at school and watch as their children excel and grow.

*The Geneva Elementary PTA appreciates all volunteers.*
